

### Features 特点

PCB mount and cased controls.  
Integrated controls with EMI filters.  
PCB插件,盒式控制器,  
带EMI滤波器的集成控制板

### Typical Applications 应用范围

Home appliances, temperature controls, speed controls, water level and water temp controls, motion sensor controls, light controls, energy saving controls and more.  
家用电器, 温度控制, 速度控制, 水平和水温控制, 运动传感控制, 灯光控制, 节能控制。

### Technical Data 技术参数

额定电压 Rated Voltage :

10/220/400VAC

根据需求可办理相关 ( UL , VDE , CSA等 ) 认证 Certified upon request ( UL , CSA , VED etc. )
